

Team Spirit: Life and Leadership on One of the Worlds Toughest Yacht Races

Team Spirit is a gripping account of a race on the edge, and a young skipper's determined journey to victory. The Clipper Round the World Yacht Race is the ultimate long distance challenge - a 35,000-mile circumnavigation of the globe, contested by amateur crews in identical racing yachts - and the winners are those who keep their focus the longest. The 2010 winner was 28-year-old Brendan Hall and his crew in Spirit of Australia. Although Brendan was the youngest and least experienced skipper in the race, the win was no accident - it was the culmination of years of training, skilled navigation and a leadership style way beyond his years.
