

The Ashes: Crickets greatest contest (Little Red Books)

No contest has captured the imagination of cricket lovers around the world as much as the Ashes. From the controversy of the Bodyline series to the brilliance of Bradman, from the heroics of batsmen like Botham and Ponting to the bowling magic of Warne, this is an event that has always demanded the very best of those who wish to win it. From the Test that started it all back in 1882 to the recent triumphant Australian victory in 2006, THE ASHES looks at the moments that have made this one of the worlds great sporting events.
