

The Medicine Wheel: Earth Astrology

The Medicine Wheel is a springboard of power that will allow you to link up to all the energies of the universe. Sun Bear Millions of people around the world have incorporated Native American philosophy into their everyday lives. Now, with this special 25th anniversary edition of the late Sun Bears classic bestseller, readers old and new can benefit from the teachings and techniques of the Medicine Wheel. In The Medicine Wheel, Sun Bear and Wabun put forth a whole new system of earth astrology to help guide people not only in their daily living but also in their life paths. In the authors own words, this book was written to help all people relate better to our Earth Mother...and find a kinship with the universe. The Medicine Wheel is a beautiful and inspiring approach to graceful, holistic living in trying modern times. The Medicine Wheels philosophy is derived from a basic principle known by all people who live close to the earth: Once you fully embrace the elemental forces of nature, you become a part of the whole. Let this book be your first step toward finding peace and prosperity -- and your own special place in the circle of life.
