

The University Wine Course: A Wine Appreciation Text & Self Tutorial

The most widely used wine textbook for colleges and universities, this book provides a 12-week program for learning about wine in-depth, from sensory evaluation to the science of viticulture and winemaking, written and organized in a user-friendly style. Chapters in the book discuss exams and answers, study guides, lab exercises, final exams, and extensive references and bibliography. Appendixes on wine and food, label reading, do-it-yourself labs, and student tasting notes are also included.
