

Kilometre after kilometre of sandy beaches as far as the eye can see, undulating heather-covered dunes, white seagulls soaring through the air above; a cycling tour along the Danish North Sea coast offers an experience of nature in its purest form, where the tourist can relax in idyllic villages, sunbathe on the beach, and inhale the North Sea's bracing breeze. This cycling guide contains a lot of topographical maps that will help you in your journey on the western coast of Denmark.
