

The Tour of the Jungfrau Region is described as a clockwise hut-to-hut circuit, beginning at Schynige Platte and ending at Wilderswil, broken into 10 stages (with a number of alternatives offered). The 111km trek takes you in a horseshoe loop through the Bernese Oberlands most spectacular mountain scenery, in the shadow of such iconic peaks as Wetterhorn, Eiger, Monch and Jungfrau. In a journey of 9 to 10 days the Tour visits pastures, ridges, summits and passes, skirts exquisite mountain lakes and gazes on waterfalls, gorges and glaciers. Accommodation is both plentiful and atmospheric, and the route has lots of bad-weather alternatives.
