

## Suicide: Living With the Question

**SUICIDE: LIVING WITH THE QUESTION** is a personal journey of healing and recovery. It shows how one family struggled to survive the agony and shock of a loved ones suicide. Although it cannot answer the question of why it can offer comfort as it asks other questions that open the possibility of looking at suicide in new ways. This book can offer solace to the many who are affected by suicide: Parents, siblings, spouses, children, friends, co-workers. For each individual left behind, the suicide is devastating. And the attitudes and lack of understanding in society add salt to the wound. **SUICIDE: LIVING WITH THE QUESTION** offers hope to others, a small ray of light to penetrate the dark shroud that covers the subject of suicide.
