

El Camino de Santiago. A pilgrims handbook.

...The pilgrims follow the sun in the day, from East to West and follow the Milky Way in the night. They see the sunrise in the mornings and go after the sun towards the West walking through pure, golden fields or crossing colorful mountains. The Camino is a new life where you have the chance of truly finding yourself. This pilgrimage can be a return to the basics of the human nature, paying attention to the small simple things that we always forget in our busy lives...
