

Where to See Birds in Victoria

Where to See Birds in Victoria features the very best places in Victoria for seeing birds. Despite being Australia's smallest mainland state, its varied landscapes provide habitat for more than 500 bird species. It is without question one of Australia's best-kept birding secrets. Compiled, written, and photographed by a dedicated team from Birds Australia, this guide features over 40 destinations throughout Victoria, including such classic birding spots as Wyperfeld, Hattah, Kulkynne, Little Desert, Chiltern, Mount Pilot, Terrick Terrick, the Grampians, Croajingolong, Geelong, and the Bellarine Peninsula, the Otway Ranges, Wilsons Promontory and Mount Buffalo, as well as many places in and around Melbourne and along the coast. Where to See Birds in Victoria provides information on how to get to each destination, what facilities and accommodation to expect and, importantly, precisely where to look for those special or rare birds. The book also provides a comprehensive and up-to-date list of birds, with the degree of rarity and where to see it noted for each species. So, for Victorians and visitors to the state, the secret is out. What better way to see some wonderful places and magnificent wildlife than by using Where to See Birds in Victoria as your guide?
