

Whose Land? Whose Promise?: What Christians Are Not Being Told about Israel and the Palestinians

Because events in the Middle East continue to escalate in tragic complexity, Christians still struggle with making sense of it all. In this updated version of *Whose Land? Whose Promise?*, Burge further explores the personal emotions and opinions; and sharpens his theological argument in the context of the new developments surrounding the crisis in the Middle East. *Whose Land? Whose Promise?* offers insight for the thoughtful reader on an explosive topic and challenges personal truths on peace.
