

Good Governance

Make government work! Find out how in this Kindle Short Read ebook. Good Governance is about the organization design, chart of accounts, job architecture, audit and validation processes inherent in designing a workable governmental model under the requirements of standard setting bodies like the Government Accounting Standards Board and others. The presentation is simple enough so that readers can understand the basic structural elements of an organizational design and how these elements operate under various designs like the hierarchical systems, as well as organic (more flexible) models. Good Governance is intended to appeal to a wide constituency of readers in both the private sector and government. The model can be customized for other applications like the private sector, quasi-government institutions or even foreign organizations. This is a Kindle Short Read ebook. Free downloads are provided at the end of this Kindle Short Read ebook. Dr. Joseph S. Maresca is an Amazon Hall of Fame reviewer with 2170+ book reviews and over 13,700+ affirmative votes from readers. He was made a member of the Delta Mu Delta Honor Society upon college graduation and a member of the Sigma Beta Delta Honor Society (International Society) since 01. To date, Dr. Joseph S. Maresca has published 27 ebooks on Amazon/Kindle.
