

## The Gospel of Fury: The Gemini Star

The Gospel of Fury, written by I. B. Fury, an angel on earth, brings the apocalypse, and shares the Holy Grail with man. Angel Fury and his family, the way he interprets them, demonstrates Gods covenant with man, the bond between God and son, significance in justice, truth in love, and the management of the soul and life. It seeks to dispel doubt among mankind, deliver hope, and a promise of life. This an imaginative, meditative story. It simplifies and unites belief and faith, and shares knowledge in modern understandable terms. It is a short novel that undertakes to explain how it all works; existence, the universe, mans beliefs and emotions, pointing to the protagonists life experience with humor and insights that the reader can relate to easily.
